

Help the Ice Plex to Shine. With your Donation of \$500 you will sponsor an LED High Efficiency, High Output light that will help to keep the rink lit for many years to come and also reduce the energy and maintenance this facility uses. The Great Falls Community Ice Foundation is a 501(c)3 non-profit

A plaque showing your name and which light(s) you sponsored will be placed in the arena. If all lights are not sponsored by August 1st, 2017 your donation will be returned to you.

To sponsor a light please fill out the form in its entirety
